

**Want to have a pop-up gallery in Miami without spending 5k a day in rent?
Try our "Gallery Takeover" Program!**

Our **GALLERY TAKEOVER PROGRAM** is designed for Curators and aspiring future
Gallerists and Artist Collectives!
Interested? Read on!

Do you have a curation or exhibition you'd like to show but can't find a gallery that will let you show it? We've been there, and it's the worst feeling, all the galleries and project spaces constantly saying no to you and your show gets so delayed that your creative mind drops it and moves on, with that show never seeing the light of day...

Did you know most well known local galleries charge around \$5000 to rent their space for one day?!! And most even rent their space out and don't allow their art and walls to be touched.

With our program you can get things done and showcase your project!

Here is how it works:

- Submit your exhibition proposal, along with images of past shows. Once reviewed and agreed upon, you'll be able to take over our main space for 2 weeks!
- This is on a first come first served basis, so make sure you book your desired dates as soon as possible.
- This will be a pop-up, strictly ART event under your name, hence the name "Gallery Takeover"
- Since Miami is an "Event" driven town, we must stress that you spread the word as much as possible in order to make the most out of your show.
- With your exhibition you'll have the ability to come and go as you please within our business hours, and if some days you can't come in, then worry not, we will make sure to process your sales for you and keep you in the loop with the activities of your show.

Pricing:

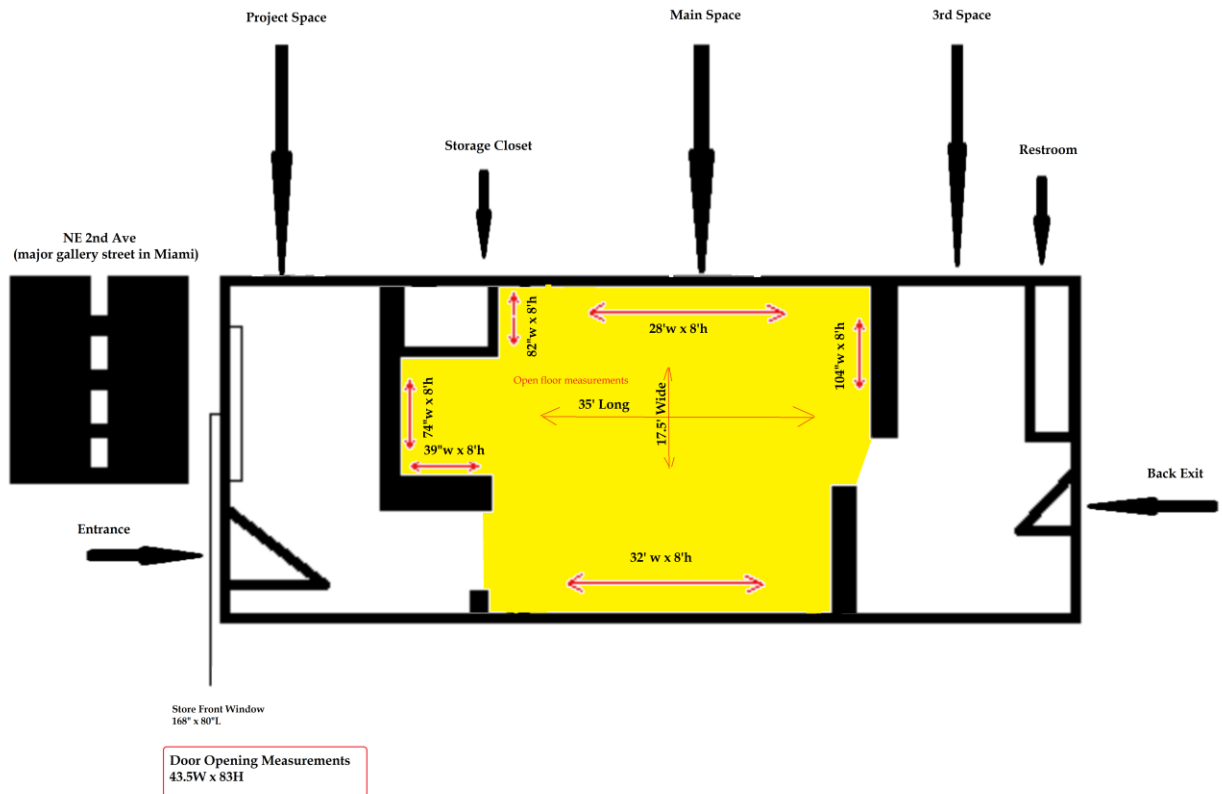

\$3,000 for 2 weeks plus 10% from your sales

OR

\$2,500 for 2 weeks plus 15% from your sales

That's \$178 a day vs. \$5,000 a day! You can't beat that!

Floor plan

ArtToSaveLives Contemporary is dedicated to enhancing the cultural enrichment of the individual and also the local communities we collaborate with.
